"How is it that the coolest new show on Broadway is a 1943 musical?" says *The New York Times*. This is OKLAHOMA! as you've never seen or heard it before—reimagined for the 21st century, and now the Tony Award winner for Best Revival of a Musical. Funny and sexy, dark and jolting, this acclaimed production of OKLAHOMA! "lets us experience Rodgers and Hammerstein's greatness anew." (*The New Yorker*). Stripped down to reveal the darker psychological truths at its core, Daniel Fish's production tells a story of a community circling its wagons against an outsider, and the frontier life that shaped America. Upending the sunny romance of a farmer and a cowpoke, this OKLAHOMA! allows the classic musical – and our country – to be seen in a whole new light. "This production shocked me and moved me," raves Frank Rich of *New York Magazine*. "This is the OKLAHOMA! that was there all along." *The Daily Beast* raves "Forget your traditional idea of Oklahoma! Daniel Fish's daring, brilliant, utterly absorbing re-interpretation is dark and different—brilliantly so."
